InterMountain Advanced Ministries

WHAT IS I-AM?

I-AM INTERMOUNTAIN ADVANCED MINISTRIES is an outreach and mission ministry for young adults ages 16 years and older. I-AM provides an opportunity for program participants to experience a taste of mission work through active hands on involvement in a mission event. Mission events may include but are not limited, sports camps, vacation Bible school, Bible day camps, or hammer and nail work projects.

Actual mission assignments and site of activities are determined based on the volunteer numbers/gifts and ministry needs at the time. This ministry works in cooperation with the LCMS Northwest District, Alaska Missions for Christ, Lutheran Congregations and other Christian organizations to facilitate these mission activities.

Prior to the mission activity each ministry participant attends a training event.. At this training participants will learn and practice skills needed to support a mission activity, interface with the unchurched in a manner that reflects Christ, and communication tools to aid in boldly sharing Christ with others!

HOW CAN I BECOME INVOLVED WITH I-AM MINISTRY?

All interested youth, or any adult interested in becoming a mission team leader, must submit an application no later than March 31 to Don & Fran Petersen, 1738 Citrus Avenue, Richland, WA 99352

Applications or information can be obtained by filling out this form and sending it to the above address, emailing Petersen's at dfpetersen@charter.net or calling 509-396--0129.

If you are not able be a participant but still would like to partner with the I-AM ministry in training, equipping, and sending youth for God's service let us know:

- Please send me an application to participate in I-AM this year!
- Please send me the I-AM Newsletter so I can see how God uses this ministry!
