Course Description

The Basic Preparation Course for Faith community Nurses is a nationally endorsed curriculum from the International Parish Resource Center. The American Nurses Association recognizes faith community nursing as a sub-specialty in nursing. Faith community nursing holds the spiritual dimension as central to its practice.

Objectives

The participant will:

- ◆ Identify the integration of faith and health as central to the faith community nurse role.
- ◆ Demonstrate knowledge, attitude, and skills to practice as a beginning faith community nurse and/or health minister.
- ◆ Describe a Health Ministry network of continuing development and support including an inter-collegial peer system of support.
- ◆ Identify core concepts of spiritual formation; professionalism; shalom as health and wholeness; and community, incorporating culture and diversity in faith community nursing and/or health ministry.
